Goal-Busters

Canyon's division to raise money for the West Texas Stadium Fund Drive has reported a **bristling 25 per cent over subscription.** The Canyon goal was \$20,000 and late last week more than \$25,000 had been pledged. At the stadium site, dirt moving machinery was excavating for the playing area and piling the earth behind the restraining wall for the bleachers.

Commissioners Approve County Budget for 1959

A \$641,168 budget for 1959 was approved by the Randall County commissioners Monday.

New items in the budget, which calls for \$84,000 more expenditures than in 1958, are \$11,000 for air conditioning the court house and \$3,000 for boy's work. Best estimates on the air conditioning are \$7,500 for coolers, not including extra wiring which must be installed.

The budget set aside \$2,000 for boy's work in South Amarillo, and \$1,000 for boy's work in Canyon. A 10 per cent, across-the-board increase in salaries of all county employees was included in the budget.

Final approval of the budget is slated for the second Monday in October.

Commissioners received a bill

Races To Be Held At Buffalo Lake

The Panhandle Boat and Ski Club is sponsoring the second annual Boat Races at Buffalo Lake at 1:30 p. m. Sept. 21.

Trophies for first, second and third places will be awarded at the conclusion of races. Entry fees are \$2 per race or \$3 per driver for any number of races. Each race will be five laps around a one mile course.

Drivers must have life jackets and crash helmets. A driver's meeting will be held at 12 noon in the pit area 200 yards west of the old red boathouse. The lake will be cleared for warmups at 10 a. m.

Registration will be in the pit area, and all boats should be numbered before entering the pit area. Divisions are pleasure craft with stock motors only, hydro and runabouts and skiffs.

for \$1,024 from the city of Canyon for fire protection in rural areas during the quarter ending in June. The payment is the first under a contract approved several months ago whereby the city and county would jointly upkeep the fire department.

During the quarter, 12 of 20 calls answered were outside the city limits.

Estimated income for the county in 1959 is \$655,734.

This includes estimated tax income of \$359,760; car registration, \$165,000; state lateral road fund,

Rental Rates Set For Equipment

The equipment owned by the Randall-Potter Soil Conservation District can be rented from Edd Dwyer, Vocational Agriculture instructor at Canyon High School. Mr. Dwyer and the FFA chapter are custodians of the equipment for the district.

The rental rates and equipment owned by the district are two grass drills, 50 cents per acre, minimum charge of \$5; legume seeder, 50 cents per acre; two sprayers, \$1 per hour; fertilizer spreader, \$2 per day; two-yard scraper, \$5 per day. The rental rate on this equipment was set up to cover cost of repairs and to replace the equipment.

Mr. and Mrs. B. W. Pfeffer and Mike of Borger visited recently with Mr. and Mrs. C. G. Pond and sons. Mr. and Mrs. Pond and Ivan visited at Elk City, Okla., with friends and relatives.

Mr. and Mrs. James Guthrie and Mr. of Boulder, Colo., spent a week in the J. A. Guthrie and L. E. Thomas homes.

\$23,104; fines and fees, \$91,700; sale of old Amarillo tax building, \$10,000; Buffalo Lake (payment in lieu of taxes) \$2,800; City of Canyon police payment, \$1,800; sundries, \$1570.

Indebtedness of the county is \$775,000. This figure does not include right of way warrants which have been authorized but not issued.

Rural Youth Day Will Be Sept. 27

Rural Youth Day at the Tri-State Fair in Amarillo will be Sept. 27, the final day, according to Mrs. Mona K. Hildreth, county home demonstration agent.

All 4-H Club members and their sponsors will be passed at any fairgrounds gate on that day.

A special program will begin at 10 a. m. in the Tri-State Fair Coliseum. Besides specialty acts, the program will consist of the crowning of the 4-H Baking Queen and the FFA Wheat King, rural youth talent and drawing for tickets to the water follies.

"We want to encourage all the boys and girls to attend that day," Mrs. Hildreth said.

Eloyce Money returned to Glendale, Calif., to continue her training in the Glendale School of Nursing after a month's vacation with her parents, Mr. and Mrs. Ed Money. She will receive her R.N. Nov. 23.

Dr. and Mrs. John M. Hale of Hawthorne, Calif., visited Mrs. Hale's sisters, Mrs. Ed Money and Mrs. Ross Campbell, and her mother, Mrs. A. W. Fortner, and other relatives last week, leaving Saturday night for California.

Voters Okay School Bonds

Both proposals on the ballot for the school bond election Saturday passed by margins of nearly two-to-one as nearly one-third of the eligible voters went to the polls.

Vote counts on the first proposal, the one for the adoption of Senate Bill 116, were 486 "For" and 274 "Against."

The count on the second proposal, for the bond issue itself, was 493 "For" and 264 "Against."

A total of 788 people voted in the election. Election Judge Aubrey Crossland said he estimated from poll lists that about 2600 people were eligible.

ROTC Personnel Added to Faculty

Four new instructors, two officers and two enlisted men, have been appointed for the West Texas State College Reserve Officers' Training Corps unit, according to Lt. Col. Edward L. Lindsey, professor of military science and tactics.

Named as replacements for officers and men who have completed tours of duty with the WT unit were Capt. Philip H. Harper, Capt. Robert G. Pritchett, SFC John F. F. Campbell, and Sgt. Daniel W. Evans, Jr.

Capt. Harper, whose branch of service is infantry, came to WT from Fort Benning, Ga., where he has been stationed for the past three years. A West Point graduate, Capt. Harper has been in the Army for the past nine years.

An instructor in the Rangers and a qualified parachutist, Capt. Harper served tours of duty in Trieste, Vienna, and was in Korea during the Korean War. He is married and has three children. Capt. Harper's father, Brig. Gen. N. A. Harper, is retired and is a member of the faculty at Ohio State University.

Capt. Pritchett, a native of Gladewater, Tex., has served in the Army for ten years. He was commissioned through Officers' Candidate School, but was commissioned into the Regular Army in 1956. A graduate of Texas A&M, Capt. Harper came to WT from Fort Campbell, Ky., where he served with the 101st Airborne Division.

A senior parachutist, Capt. Pritchett served nine years in the infantry and changed to armor this year. He served two tours in Germany and one in Korea. He and Mrs. Pritchett have two children.

Sgt. Campbell has served in the Army more than 15 years, and was more than two years in the Pacific Theatre during World War II. He came to WT from Fort Polk, La., after a three-year tour in the Far East. He has also served in Germany.

Sgt. Campbell is married and

Conference Set For Sept. 16-17

A two-day Grain Elevator Operators' Conference will be held Sept. 16-17 in the Drift Inn Room of the YMCA, 816 Van Buren, Amarillo, according to John Brazzil, county agent.

Discussions during the conference will be over such subjects as 1958 grain sorghum loan program, market outlook for grain at home and abroad, safety around elevators and the causes of grain spoilage.

Leaders will be such people as T. J. Cunningham, deputy director of the Commodity Stabilization Service of Dallas; C. F. Garner, extension entomologist from Texas A&M, and Ben Ferguson, secretary of Texas Grain and Feed Dealers Association.

Brazzil urged that all elevator operators in Randall County attend the meeting.

Art Exhibit Held At Canyon High

Art classes of Canyon High School are exhibiting reproductions of masterpieces by American, European and South American artists.

Parents, teachers, businessmen and young people are invited to view the exhibit from 3:30 to 5 p. m. any school day in room 17 on the first floor of CHS. Last day will be Sept. 19.

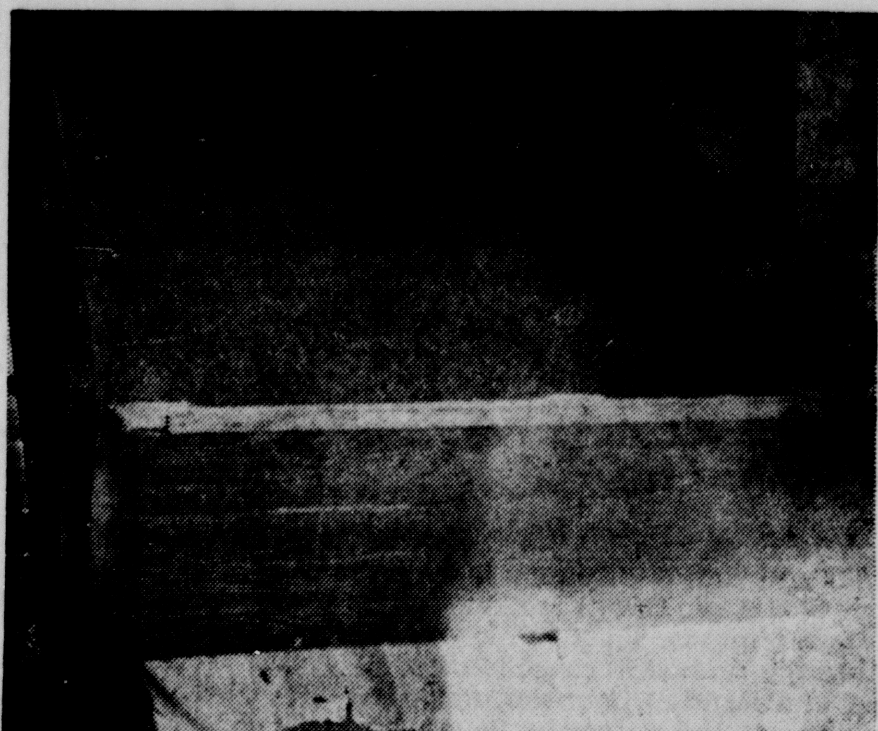

Suitable for framing, the reproductions were obtained from Dr. Konrad Prothman of New York City and are not for sale.

"We only want people who appreciate good reproductions to enjoy them while they are here," said Claudia Neelley, art teacher at CHS.

has two children.

A former Marine, Sgt. Evans came to WT from Fort Hood. He served three years in the Marine Corps during World War II, and was in the Marines during the Korean War. He joined the Army in 1954 and has since served a tour in Europe for 28 months. He is married and has two children.

First Milo

Bob Davis brought the first load of milo into Consumers Fuel and Elevator Friday morning. Davis said he was spot cutting a 55-acre field, trying to catch the milo before it fell. The grain had a moisture test of 16.50.

West Texas Enrollment Expected To Be Over 2,000 For First Time

West Texas State College will open its 49th session here Monday, and like most colleges throughout the nation, will expect a new record enrollment. Well over 2,000 students are expected to enroll for the fall semester.

Activity around the campus has already started, with members of the Buffalo Band practicing new marching techniques introduced by Dr. Ted Crager, new head of the WT music department and director of bands. The band began workouts Monday.

Conferences to plan the fall's activities will be held Friday and Saturday by the Student Senate, student government association of WT. The 12 class senators and representatives of campus organizations will meet with DeWayne Neel of Friona, student body president, to set a social calendar and to arrange activities for the first week, "Get Acquainted Week," of the semester.

The student conferences will be held at 2 p. m. Friday and Saturday in the student union building.

A faculty breakfast and business session will be held at 8 a. m. Saturday in the cafeteria, and dormitories will be opened for students to move in Sunday.

As they have for the past few years, students returning to the WT campus this fall will again see construction on major buildings. A new fine arts building, a capacity-doubling addition to the science building, and a new stadium are under construction and are expected to be completed in 1959.

WT's freshman will start orientation at 8:30 a. m. Monday, continuing through the day, and will be given counseling Tuesday morning.

Freshmen and sophomores will register Tuesday afternoon and Wednesday morning, and juniors, seniors and graduates will register Wednesday afternoon and Thursday morning. Classes will start Thursday afternoon.

GARDEN CLUB TO MEET

The Canyon Garden Club will meet Thursday evening in its regular monthly meeting at the home of Dr. Leta Boswell. A program on arrangement will be given, and the public is invited.

Prove You Know With News Contest

So you think you know football.

Here's your chance to prove it, and win a bit of cash on the side.

Nothing is required except to clip the entry blank in this week's Canyon News, check the winners of the first 10 games given, and show score in the tie breaker game.

Bring or send the blank to the Canyon News by Friday noon—and, man, you've got it made. Prizes are \$4 for first, a year's subscription to the Canyon News for second, and \$1 for third.

Club Will Hold Putting Tournament

A tournament to choose the champion putter of Canyon will be held Thursday night at 7:30 at the putting course of the Canyon City Club. The tournament is open to the public, and everyone is invited to attend.

Eagles To Play Hereford In First Home Appearance

Continuing an old-time rivalry although Hereford is now in a larger classification, the Canyon Eagles will meet the Whitefaces in Buffalo Stadium at 8 p. m. Friday.

Hereford, now in District 1-AAA, has not played a game yet this year. The AAA teams have spring practice and start fall practice one week later than AA teams.

Figuring from last year's game and scout reports, Eagle coach Bill Davis thinks Hereford will have at least five fine football players returning. The Whitefaces have a new coach this year, Bobby Williams.

"Hereford will be in the same spot we were last week," Davis said. "They will want to win the first game, and they'll be tough." He said the Eagles made a good showing against Slaton Friday night. "We're still green and we've got a lot to learn, but I'm proud of the way they played," Davis said.

He said that as far as material is concerned, Hereford should be about like Slaton with good boys and considerable weight. The Hereford team should be tough, and will probably hit harder than Slaton.

"Williams will be an outstanding

coach in their district," Coach Davis said.

The Eagles beat Hereford 7-0 in Hereford's first game of the season last year, and that was about the story for the Whitefaces' season. They lost all their other games except with Olton, and that was a 6-6 tie.

Other scores of Hereford's last season were Dimmitt, 21-6; Plainview, 27-7; Littlefield, 33-6; Dumas, 13-6; Levelland, 43-19; Phillips, 19-0; Tulia, 37-20; and Clovis, 12-7.

Advance tickets are on sale now at the Canyon Drug, The Pharmacy and the High School. Students are 50c and adults are \$1.00.

The 1958 Canyon High School Football Team

Set for the Eagle squad this fall are Dale Henry, 64, left front row; Jerry Richardson, 10; Eddie Boydston, 45; Tommy Henderson, 30; Dwayne Ledbetter, 63; and Roy Harris, 62; Coach Bill West, second row left; Larry Brotherton, 15; Ronnie Huyck, 20; Jerry Reynolds, 40; Bob Winn, 35; Ross Bond, 25; Craig Hinger, 81; Howard Lisle, 61; George Prichard,

83; and Head Coach Bill Davis; manager Dwayne Massey; third row left; Coach James Kauffman; Larry Kitchens, 72; Jim Brasher, 50; Jackie Brietling, 82; Jerry Parker, 51; Richard Purcell, 11; Bill Cornette, 70; Mike Poole, 80; Coach John Howle; and Glen Ray Devin, manager.

An Idea To Toy With

When the relationship between Amarillo and Randall County is brought up, one of the two things is likely to pop into people's minds. They think either of the Amarillo-proposed consolidation of Potter and Randall Counties, or of the possibility of the voters in South Amarillo moving the courthouse up there.

At times the idea of the annexation of part of Randall by Potter has been brought up, and that idea has been pretty well explored. The major obstacle to that idea is that the annexation cannot come closer than 12 miles to the county seat, and that's hardly outside the city limits of Amarillo.

But here's an idea that you might mull around in your minds. In the realm of practicality, it may be plenty far-fetched—but you'll admit, we believe, that it is an interesting possibility.

Suppose the Amarillo bunch really gets their minds set on annexation. How can that come about so that Potter can get a bigger chunk of Randall?

It's simple. Call an election to move the courthouse. But instead of moving the courthouse to Amarillo, move it to Umbarger. That would put it two miles further south, approximately. Or move the courthouse to the north city limits of Happy, which is in Randall County. That would put it about 16 miles further south.

Then, a second election could be called to annex part of Randall to Potter. If the courthouse were moved to Umbarger, Potter could annex as far south as the road that runs just south of Munday house factory on Washington Street.

If the courthouse were moved to the south end of the county, Potter could annex to about four miles south of Can-

yon.

It takes a two-thirds vote of the people of both counties to change a county line between the counties, and you can see that it is almost a practical impossibility. Mind you, also, we are not submitting this idea so that someone might try it. We're just putting it out so you can mull it over.

Just think of the things that could happen in such a case. The Canyon Independent School District line butts against the Amarillo district line at what is 58th Street in Amarillo. It's getting to the point that the Amarillo district would like to change the line further south although it did not want the area in 1949 when the school districts were consolidated.

County school boards have charge of changing district lines. If Potter County annexed a considerable part of Randall County, the Potter board could change the line just anywhere the Amarillo district wanted it.

If the constitutional amendment passes, and Amarillo votes to set up the hospital district, an annexation of part of Randall County would put that in the hospital district and put the tax into effect.

You can think of any number of other things that could happen. That makes it a much more interesting idea, don't you think?

Men's Problems

Men, in general, have a fairly rough time when they become fathers. It's not a physical problem, or a psychological problem exactly. It's more that new fathers are sort of behind the eight-ball for a few days.

Even if they have nothing to do but tend to the needs and wants of the new mother, they can't seem to do everything right—something is bound to be wrong.

Therefore, we believe that most fathers will be sympathetic toward this story we have to tell. It concerns a man who became a father for the second time last Thursday.

Canyon High Coach Bill Davis, like most coaches, has football for breakfast, lunch and supper, for dreams and nightmares, instead of sleep and while awake—and this lasts acutely all fall. He has a sort of glazed look about him from September to December, and sometimes we think his eyes change from round to football-shaped.

Mrs. Davis presented him with his second daughter Thursday. The girl, named Terri Ann, is a fine one, and Bill is proud. But things were complicated for him. The first game of the season was coming up Friday. His football eyes must have had a hard time focusing on Terri Ann, but apparently they did. He says he was able to take time off to be there when she was born, and visited a spell with Mrs. Davis.

The coach said he even rememberer to send telegrams to relatives, and he thinks maybe that is fairly remarkable. But Friday and the football game came, and probably Terri Ann escaped his thoughts for a few hours.

Reach back in your memories, fathers, and feel for poor Bill. We can imagine he's in for a rough time.

Congratulations, Mrs. Davis, and we wish the best for you and Terri Ann.

Errors, Errors

Although we hate to admit it, we in the newspaper business are not infallible. In fact, we can get fooled just as regularly as anyone.

We all got fooled at Slaton last Friday. At least three of us made a prize boner. We thought that Tommy Henderson took a lateral from Eddie Boydston and ran 45 yards for a touchdown. Actually, Jerry Richardson did the trick.

We, in this case, includes the Canyon News editor (who compounded his mistake by giving that information to the Amarillo Daily News), the announcer for radio station KAMQ, and the sports-writer of the Lubbock Avalanche.

We had the jump on the other two guys, though. We didn't have to write our story Friday night, so we had a chance to get it straight in this paper at least.

The People Spoke

Although 788 lacks quite a bit of being a complete majority of eligible voters, it should be considered a magnificent turnout for a school bond election. With the voting record in this county, it's almost stupendous.

And the nearly two-to-one majority given the bond and tax bill proposals is large enough to indicate that most of the people in the Canyon school district want a new high school. There is no room left for bickering and quibbling.

We are proud that as many people came out to vote as did. And we were surprised and pleased.

What Our Neighbors Say ...

Scissor Snippings

Harold Hudson in the Ochiltree County Herald: Coach Pete Peterson arranged by telephone last week for a football scrimmage with the Woodward Boomers, and the Woodward coach told him, "I've just got a bunch of light, green kids, but we need the scrimmage." "That's all right," Pete said. "We've got a light bunch, too." The next day Pete saw in the Daily Oklahoman where Woodward, with a big, talented experienced team, was picked to top the western Oklahoma region. "Dawg-gone," exploded Pete. "You never can depend on these coaches!" The Woodward coach probably said the same thing after the scrimmage when the Rangers outscored the Woodward team, 7 touchdowns to three.

Jimmie Gillelme in the Hereford Brand: Good news for a bunch of us fellows who are getting a bit thin on top is return of popu-

larity in wigs. Wig makers all over the country are snowed under with orders. Mostly, they are varicolored to match cocktail dresses, varying from red and white candy striped to some really wild colors including "shocking pink," bright green and lavender. Wigs were once a mark of the elite in Colonial America and Europe. If women can buy 'em just for fun, what's wrong with a fellow who honestly needs one having it? Nylon has helped the wig situation, too. The going price is from \$35, up.

Dave McReynolds in the Friona Star: If anyone ever tries to run down the efficiency of the Friona Police Department, just send them around to this office.

We can vouch for their efficiency for only last Saturday we broke the law and were awarded a ticket less than five minutes after the violation.

Naturally we knew better, but when a person gets in a hurry, he always fouls up. This time we just happened to run afoul of the law.

What happened was—we parked on the wrong side of the street. We jumped out of the car "just to go right in and back" and got tied up in conversation, then forgot about the car being parked wrong.

About 10 or 15 minutes later, the phone jangled and we were reminded about the car.

A voice said—"ha, ha, you got a ticket."

Glancing out the window we noticed, big as life, the \$10.00 ticket, waving in the breeze under the windshield wiper.

So, guess whose name topped the "criminal column" in last week's paper—you guessed it!

Such is the fortune of us law-breakers.

BOYCE HOUSE

How fascinating are chance remarks of strangers overheard in a crowded city! What insight into the philosophy of an individual is revealed by a few words! What dramas are suggested!

In a New York cafe as I was having dinner, I heard a musical voice say, "I had trouble making up my mind which clothes to bring" and looked up to see a pretty girl, perhaps 18, her eyes sparkling and her face flushed in the thrill of her first visit to the metropolis. She was speaking to a middle-aged couple, perhaps her uncle and aunt. The girl was in a wheel-chair.

Or this from an occupant of a park bench to a companion as I sauntered by, "You know the whole atmosphere of living has changed."

A woman to another, "It is the will of God."

Quite different: "Nobody is honest; everybody is a crook."

And these —

"Yes, she's going to Vienna";

"Ever hear from Bill?" "He's working in the city jail at Walla Walla."

"I wonder how old she really is!"

"She said, 'I hate men.'"

Looking at Wall Street, I found it hard to realize that this small area was the financial center of the nation and the world — only four blocks, I was told. There came to mind the exploits of Jay Gould, whose manipulations produced "Black Friday;" and of "Bet-a-Million" Gates who made \$12,000,000 in a coup at the expense of J. P. Morgan (the first) but that gentleman gained full vengeance.

Also recalled was the story of the man who called on Morgan to borrow \$100,000. "Let's go for a walk," the great financier said. They walked around the block and then at the entrance Morgan shook hands and said, "Good-by." The other said, "But the loan!" "Oh," Morgan replied, "they've seen you walking with me; anybody will loan you \$100,000 now."

Also, I recalled an acquaintance

Records Entered
In 4-H Contests

Records of two Randall County 4-H Club girls have been entered in separate contests, with judging set for the near future. Entrants are Carolyn Campbell, state dress revue, and Norma Lou Henderson, District 1 clothing contest. Texas Extension Service sponsors both contests.

Miss Campbell, winner of the Randall County and District 1 dress revues, will compete in the state dress revue to be held in Dallas during the first week in October. The state winner will be awarded an all-expense paid trip to the 37th National 4-H Club Congress, to be held in Chicago Nov. 30-Dec. 4.

A student at Canyon High School, Miss Campbell also won the Randall County Bake Show.

Second place winner in the county dress revue, Miss Henderson is competing in the clothing contest, to be judged Sept. 4 in Amarillo by a group of District 1 agents.

Entrants are judged on how well they have acquired the skills and knowledge to select, construct, assemble and care for suitable clothing for work, school and social events. Winners at district will compete in the state contest for a trip to the National 4-H Congress.

Also a student at CHS, Miss Henderson has made all of her own garments, including two formal. She also makes clothing for her brother, nieces and neighbors. She is a junior leader in the Pleasant-Jo 4-H Club.

Texas' 56th Legislature, though not yet sworn in, already casts a long shadow over Statehouse activities.

Its membership was settled — or virtually settled — with the counting of the Democratic second primary votes. A few will have Republican opponents in November.

Of more interest now is how the 56th will lean on key issues. Political prophets already are taking pulse readings and pronounce it likely to be more liberal than its predecessor. But not predominately liberal. A big influx of newly-elected liberals from Houston is expected to be offset by Dallas conservatives, plus others from small towns.

On next session's crucial issue — finance — everyone's crystal ball seems a bit cloudy. Next Legislature will have to grapple with a financial deficit which the Legislature...

**"\$7.34 invested in ammonia
netted \$40.56 in wheat"**

W. H. Jackson, successful High Plains farmer, says: "Phillips 66 ammonia proved to me it can help me make more money. The irrigated wheat I fertilized with Phillips 66 Agricultural Ammonia gave me a 25 bushel-per-acre increase over an unfertilized check plot. This netted me \$40.56 per acre."

Other successful Southwestern farmers use Phillips 66 ammonia to give them higher grain yields... and more profitable grazing. The 82% nitrogen in Phillips 66 Agricultural Ammonia gives young wheat a fast start, supplies plenty of lush, protein-rich forage that puts on more beef at less cost per pound.

Many of these farmers plow down Phillips 66 ammonia in the fall on maize land. They know that the 82% nitrogen helps decompose crop residue, to provide extra plant food and make the soil more productive. Remember, Phillips 66 ammonia gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

lative Budget Board has predicted may call for as much as \$140,000,000 in additional tax revenue.

Winning candidates, in both their speeches and newspaper announcements, were understandably skittish and unspecific in making specific proposals for dealing with this gigantic problem. Many came out flatly against a general sales tax or state income tax. Numerous suggestions were made to balance the budget through 'economy in government, elimination of waste, duplication,' etc.

Such statements are like the breeze off an iceberg to state departments, many of whom have said they'll be asking for more, not less money, next session.

When the showdown comes, decisions will be made largely by the same group who pushed the voting buttons in '57. All told, there'll be 49 new faces among the 181 lawmakers.

Replacing the three retiring senators, Ottis Lock of Lufkin, Searcy Bracewell of Houston and Carlos Ashley of Llano will be Martin Dies Jr. of Lufkin, Robert W. Baker of Houston and Louis Crump of San Saba.

House will have 46 freshman, slightly less than the normal one-third turn-over of its 150 members. Changes result from the retirement of 33 representatives, defeat of 13 others.

Mangled Math
When the next speaker of the House of Representatives takes office in January, some confused arithmetic will be cleared up.

A speaker is elected at the start of each regular session by the 150 House members. Support, in the form of signed pledges, is lined up well in advance of the session's start.

This year, when the dust settled from the run-off primary, both contenders claimed victory. Rep. Waggoner Carr of Lubbock, present speaker, said he had 80 pledges. Rep. Joe Burkett of Kerrville claimed 77 pledges. In addition, Burkett said he knew of 15 House members who had made no pledges.

All the claims added to 172 representatives — 22 more than the people elected.

Too "General"?
Alumni of East Texas State College are asking help in untangling conflicts over a new program at the Commerce school.

At issue is the value of a "general studies" program instituted by ETSC President Dr. James Gee. Revised curriculum substitutes a course in "communications" for freshman English, "heritage" for American history, and so on. A professor had taught some of the "general" courses called them a "hodgepodge," comparable to grade school work.

Dissatisfied exes meeting in Austin asked Sen. Charles Herring, Senate investigating committee chairman, to look into the situation. Herring said he would bring it up at the committee's next meeting, but urged the exes to talk first with the college's Board of Regents.

Faculty Raises Asked
Salary raises for faculty members are the principal item in a \$12,515,000 budget increase being sought by Texas' 18 state colleges and universities.

Texas Commission on Higher Education said the \$4,000,000 being asked by college officials would allow for average raises of \$600 per year per prof.

Altogether, the colleges' budget requests to the Commission total \$68,721,975 for the 1960-61 biennium. Commission's task is to screen

BENJAMIN F. McDOWELL

**McDowell Chosen
For Antarctic Trip**

One of the first volunteer men to report for duty on the Navy's Antarctic Operation Deepfreeze IV, to take place this fall, was Benjamin F. McDowell, construction builder third class, USN, son of Mr. and Mrs. G. R. McDowell of 906 Fourth Avenue.

He was picked from over 3,000 applicants as one of the 140 Navy men who will provide logistic support for the Antarctic program of the International Geophysical Year.

He is being briefed at the Naval Construction Battalion Center, Davisville, R. I., in cold weather survival, clothing, and learning to drive weasels and various pieces of mobile equipment to be used in the Antarctic.

Following this intensive training, the first units participating in Deepfreeze IV, will leave Davisville for the Antarctic in September.

Although the smallest of any Deepfreeze units sent so far, the 140 officers and enlisted men are scheduled to winter in next year during the long six months of Antarctic inaccessibility from May to October.

This year, Deepfreeze will carry out the resupply of established stations, replace worn-out equipment to supplement construction, transport the relief scientific and naval support personnel to the Antarctic, and return last year's wintering over personnel to the United States.

During his stay in the Antarctic, McDowell will be stationed at McMurdo Sound, one of four U. S. bases at the bottom of the world.

These requests and make up a recommended budget to present to the Legislature.

Short Snorts
State Board of Water Engineers has scheduled a hearing for Sept. 18 on the proposed Diablo Dam on the Rio Grande River.

Gov. Price Daniel has proclaimed September and October as "American heritage months", a period in which people are to be encouraged to vote on an informed basis and contribute to the political parties of their choice.

Mrs. J. C. Dowd left Sunday afternoon for Yukon, Okla., to spend two weeks with her daughter and family, the Rev. and Mrs. R. C. Helmich.

Mr. and Mrs. Sonny McCrutchin and children were Sunday visitors recently in the G. B. Combs home.

Auto Inspection Began Labor Day

Inspection stations throughout the state began a new period of motor vehicle inspection for more than four million vehicle owners throughout Texas Sept. 1, according to the Texas Department of Public Safety.

There are more than 4300 authorized stations checking automobiles and trucks during the inspection period, which runs through April 15, 1959.

In announcing the inspection period, Col. Homer Garrison Jr., director of the Texas Department of Public Safety, suggested that Texas residents have their trucks and cars inspected early in the period. This, he said, would save motorists considerable time and inconvenience annually accompanying long waiting lines at the inspection deadline.

Mr. and Mrs. Lorenzo Wirt attended the wedding of Mary Priddy and Walter Ellis Gillon in Ralls recently.

Mr. and Mrs. Riley Troth and girls were recent visitors in the home of Mr. and Mrs. T. M. Bowman of Wheeler.

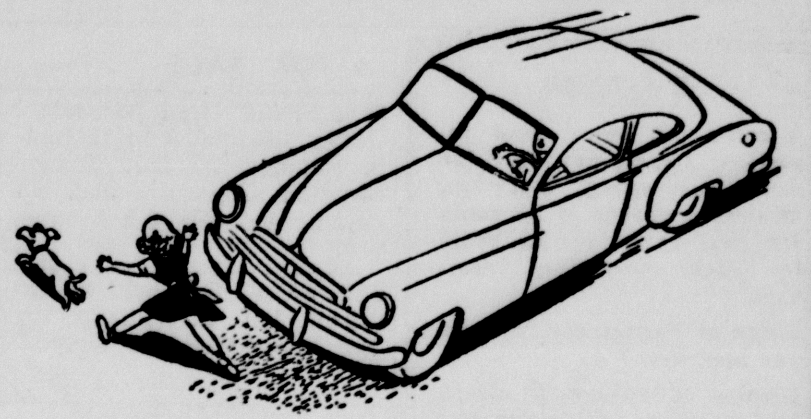

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 12,208 miles of Grading, Structures, Base and Surfacing from FM 285, 1.7 Mi. E. US 87 N. to Int SH 217 on Highway No. FM 1541 covered by S 2313 (1) & R 1480-3-1, in Randall County, will be received at the Highway Department, Austin, until 9:00 A.M., September 16, 1958, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic on this project.

Legal holiday work shall be paid for at the regular governing rates. Plans and specifications available at the office of William V. York, Resident Engineer, Canyon, Texas, and Texas Highway Department, Austin. Usual rights reserved. 21t2

Nuptial Vows Read for Fields, Pruett In Recent Double Ring Ceremony

Double ring vows were exchanged by Julia Catherine Fields and Richard Donald Pruett in a recent ceremony at the Joseph A. Hill Chapel on the campus of West Texas State College.

Parents of the couple are Mr. and Mrs. T. G. Fields and Mrs. Thelma Pruett of Canyon and J. D. Pruett of Hereford.

Officiating at the ceremony, which was read before an altar decorated with white tapers and bouquets of white chrysanthemums was the Rev. Walter Davis, pastor of the Groom Baptist Church.

Maid of honor was Shirley Weatherly of Panhandle, and Jo Gordon of Gruver was bridesmaid. They were attired in ensembles of ivory satin with blue cummerbunds and carried nosegays of blue and white carnations.

Darnell Bozarth of Canyon served as best man, and groomsmen was Jack Pruett, brother of the groom. Ushering was A. L. Pruett, brother of the groom.

The bride, given in marriage by her father, wore a gown of Rose-point lace and tulle featuring a lace bodice, long petal sleeves and sequin and seed pearl trim. The skirt of ruffles was fashioned with overskirt of lace. Her veil was held by a coronet of satin and seed pearls and she carried a cascade bouquet of carnations centered with a white orchid.

Mrs. Don Duncan, organist, accompanied Joy Gray as she sang

"The Wedding Prayer," "Because" and "The Lord's Prayer."

A graduate of Canyon High School and West Texas State College, the bridegroom is owner and operator of the Village Drive-Inn. The bride, slated to receive her degree from WT in January, is a graduate of Groom High School. She has also attended Baylor University.

Mr. and Mrs. H. D. Curtis, who have been home from Las Cruces, N. M., for a week, entertained Sunday with a dinner. Attending were Mr. and Mrs. E. J. Larson

and Velma Lynne, Frances Kiker, Mrs. T. V. Donald, all of Canyon; Mr. and Mrs. H. H. Johnson and Stanley of Amarillo; Mr. and Mrs. Marvin Roark and Leigh Ann of Vega; and Mr. and Mrs. Merlin Johnson and children of Council Bluffs, Iowa.

While Mr. and Mrs. Ronnie Upton were visiting over the Labor Day weekend in the South Plains home of his parents, Upton's father suffered a broken vertebrae. He has been reported resting comfortably in Lockney General Hospital.

Mrs. Floyd Tomlinson and her daughter, Mrs. Kenneth Williams, attended a bridal shower for Judy Tomlinson in the Arney community.

If we rise early and walk softly these mornings, we may catch a glimpse of Autumn. So early in September, he comes only in darkness, blowing a cool breath in the small hours before dawn. It is as though he comes as Summer's guest, wishing to speak briefly with this bright neighbor before she closes her season and flies south.

If we are wakeful toward morning, we pull a sheet over bare toes. If we step out in the yard before breakfast, we feel a chill promise in the dewy grass and sunlight air. Just the slightest hint of these nocturnal visits lingers in the deeper shadows till almost noon.

The paints and brushes that are Autumn's stock-in-trade are still politely packed away — no suggestion that Summer hasten her departure; but an appraising eye must steal glances at the landscape, to plan for later touching up with yellow and crimson and brown.

We love the lazy summer days — the dazzling noon heat that invites a shower tempo and excuses drowsiness. But with the first hint of Autumn, our head goes up and our senses quicken to the busy life we live and love nine months of the year.

We agree with James Whitcomb Riley that:

"They're something kind o' harty-like about the atmosphere When the heat of summer's over and the coolin' fall is here.

Of course we miss the flowers, and the blossoms of the trees, And the mumble of the hummin'-birds and buzzin' of the bees; But the air's so appetizin', and the landscape through the haze Of a crisp and sunny morning of the airy autumn days Is a pictur' that no painter has the colorin' to mock".

Vaughan, House Exchange Vows

The Rev. Walter Hadley, pastor of the First Methodist Church of Happy, read nuptial vows recently for Ellouise Agnes Vaughan and A. G. House in the Happy church.

Parents of the couple are Mr. and Mrs. Simmie Vaughan and Mr. and Mrs. Gordon House of Happy. The House family are former residents of Canyon.

Attending from Canyon were Wyona Arbrough, Mr. and Mrs. Foy E. Bunn and Carolyn, Mrs. O. C. Free and Marla, Mr. and Mrs. Bud Keller, Lynn Blewett and Mr. and Mrs. Dale House. Mr. House was best man.

Visitors in the Jim Carter home were Mr. and Mrs. Paul Davidson and daughters, Karen and Paula, Mr. and Mrs. Carlos Thorton and Jon Stan, and Mr. and Mrs. N. W. Woodall and son, Jimmy Frank.

MARY ELMA MOREMAN

Couple Will Wed Here in December

The approaching marriage of Mary Elma Moreman and Kenneth Eugene Mayfield, son of Mr. and Mrs. O. G. Mayfield of Floydada, has been announced by Miss Moreman's mother, Mrs. Lula B. Moreman, who lives in Tucson, Ariz., and Canyon. The wedding will be at 4 p.m. Dec. 21 in the Joseph A. Hill Chapel on the campus of West Texas State College.

The bride-elect received her B. S. from WT and her M.S. from Colorado State University at El Collins, Colo. She is a member of the faculty of the School of Home Economics of the University of Arizona. The groom-to-be received his B.S. and M.Ed. degrees from WT and is a jet aircraft instructor at Davis Montan Air Force Base at Tucson.

1st Fall Meeting Held Thursday

The first fall meeting of the Variety Ring was held Thursday in the home of Mae Johnston.

Roll call was answered with "what I did this summer." Several packages were delivered to Secret Pals.

The club will hold their annual family supper in the Farm Bureau building at 7 p. m. Friday. Meeting jointly will be the Palo Duro Mothers-in-Law Club. Members are asked to bring their own silverware, but all dishes will be furnished.

Refreshments were served to Mrs. L. Neil and Mrs. Win Matsler, visitors, and to Mrs. Fred Marshall, Mrs. George Cox, Mrs. P. L. Pitt, Mrs. J. P. Hammons, Mrs. Leonard Winters, Mrs. T. S. Maxwell, Mrs. Earl Burtz, Mrs. Jeannette Robbins, Mrs. Lang Hunter, Mrs. Estell Rice, Mrs. Rae Walters, Mrs. Levi Cole, Mrs. George Barker and the hostess.

Priscilla Club Meets Wednesday

Late summer flowers were used as decorations when the Priscilla Club met with Mrs. H. M. Stokes last Wednesday.

Eagles Win Season Opener 20-6

Outscoring the Slaton Tigers three to one Friday night, the Canyon Eagles won their first game of the season in Slaton by a score of 20-6.

Five times the Tigers growled and scratched at the Canyon goal line, and four times the Eagles screamed to chase the Tigers away. Canyon had already put the game on ice by scoring the first two times they had the ball.

All three of the Eagle touchdowns were made by quarterback Jerry Richardson—one on a two-yard run, one on a one-yard quarterback sneak, and one on a 45-yard run after a lateral from halfback Eddie Boydston. The single extra-point score came from a run by halfback Tommy Henderson.

Under new rules in effect this year, extra point tries start from the three-yard line rather than the two previously. If the ball is run or passed over the goal line, the extra point counts two points. If it is kicked, it counts only one.

The Eagle defense was the wonder of the game, though. In the first half, Canyon held the ball most of the time, and allowed Slaton to make only five first downs. The Tigers made no threat at all until just before the half-time.

They took the ball from their own 34 and drove as deep as the Canyon three. On the last series of downs in the drive, the Eagles held, and even set the Tigers back, and took over the ball on the Canyon 9 on downs. On the first play, though, the Eagles lost the ball on a fumble on the 10, and Slaton had another chance with 1:15 to play.

The Eagles held again, and al-

lowed a net gain of two yards in three plays—and that was enough to run the time out.

In the second half, Slaton had the ball almost all of the time, and started out with a drive that took them to the Canyon 15 with a first down. They drove to the six on the next play, but lost the ball and one yard on a fumble.

Canyon moved out to the 21 and quick-kicked to the Slaton 40, and the Tigers tried to move goalward again. After losing the ball on a punt, Slaton regained possession again on a fumble — giving the Tigers a shot at the goal line from the Canyon 25.

They were able to get to the 14, and tried a pass from there. Richardson intercepted it in the end zone for a touchdown, giving Canyon possession on the 20. The Eagles quick-kicked again to the Slaton 45, and the Tigers began scrimmage play from the Canyon 48.

This time they moved more evenly. In nine plays, the Tigers pushed across the goal line, the

last being a keeper play with quarterback Randy Sanders around the right end for the last five yards.

Apparently the Eagles were dissatisfied with the turn of events. Covering a short kickoff on the Slaton 48, Canyon moved to the 45 on the first play, and Richardson took the lateral for the 45-yard run.

The first Canyon touchdown came at the end of a fast drive from the Canyon 34, where the opening kickoff was returned by Ronnie Huyck. It took 13 plays, including a 21-yard pass from Richardson to Henderson and three eight-yard runs by Henderson.

Richardson made the final two yards and Henderson ran the extra points over for a score of 8-0 with 6:32 left in the first quarter.

The second Eagle score came very early in the second quarter. Slaton had taken the kickoff and worked the ball to near mid-field and kicked. Henderson returned the ball to the Canyon 37 and the Eagles took off again.

This time it took 11 plays, which

included a 22-yard pass from Richardson to Mike Poole, two nine-yard runs by Boydston and a 14-yard race to the one by Henderson. Richardson sneaked over for the touchdown when only 21 seconds of the second quarter had been played.

Slaton outpointed Canyon in all departments except scoring. The Eagles ran only 42 plays while the Tigers had 73. But the Eagles' rushing average was 5.143 per carry to an average of 3.32 for Slaton—which, along with the defense, spelled the difference in the game.

The statistics were:

C		S
12	First Downs	19
180	Yards Rushing	216
